316m²

10,000m²

Designer villa on a 10,000 plot set in the countryside between Pedreguer and Benidoleig at KM3 marker. The project is underway with all licences in place. The build will be 316m² broken down as follows - 251m² of living area - 35m² of garage - 30m² of covered porch/naya. There will be a swimming pool of 10 x 5. Air conditioning pre-installation. There is a well on the plot for water. The property has been connected to the grid but could equally remain completely off grid. The property is positioned on the plot to take full advantage of the views and will have sun all day long. The living and...(Ask for More Details!)
