What makes a house a home?

We provide the house; you choose the location. The first step is to personalize your home and then fill it with dreams, laughter, and togetherness.

Model IBIZA from only 9.900 € + VAT

Looking for a practical, modern and affordable home? Discover the IBIZA Model, a prefabricated house of 29 m² that combines functionality, comfort and design in a compact and well distributed space.

It has 1 cozy bedroom, integrated kitchen and dining room, perfect for those who want a comfortable, efficient and quick installation space.
