Reformed traditional attached (one side) house in Denia - La Xara. 4 bedrooms and 2 bathrooms, one en-suite. Enormous kitchen and even bigger utility room. Spacious living/dining area and large entrance hallway. Off road parking for one car. On bus route into Denia. Walking distance to all amenities and the new Denia Hospital. Large internal courtyard. Central heating throughout. One bedroom is upstairs where there is a large gallery area and another enormous space currently used for storage but could be converted to add further bedrooms and bathroom upstairs. High original beamed ceilings. Lots of natural light. Original doors and window shutters all sympathetically restored.

Views to the distant mountains...(Ask for More Details!)
