Mediterranean Townhouse with Private Pool - Cala Xara, La Xara

Located in the sought-after Cala Xara residential community in the charming village of La Xara, this beautifully designed semi-detached home perfectly combines traditional Mediterranean architecture with modern comfort. Built in 2006, the development is inspired by a traditional Spanish village, with attractive pedestrian walkways, fountains, landscaped gardens and a peaceful, traffic-free environment.

Distributed over three floors, the property offers approximately 230 m² of living space, making it ideal as a permanent family home, holiday retreat or investment property.

The lower level features a spacious garage with automatic door, storage room, laundry room and a
