This exclusive residential ensemble is situated near Polop, within a Mediterranean natural setting that blends tranquillity, nature, and quality of life. The project comprises 65 residences with three and four bedrooms, designed to provide comfort, functionality, and a direct connection with the landscape.

The properties feature private gardens, both indoor and outdoor terraces, and spaces crafted to enjoy the natural surroundings year-round. The architecture attends to every detail, incorporating modern systems for security, comfort, and sustainability.

Large windows, present in the majority of homes, allow an abundant entry of natural light and create a constant visual connection with the natural environment, offering views of the Mediterranean
