This wonderful apartment is for sale in the town of Beniarbeig.

The apartment was completely renovated in 2020 with a fresh, modern and Zen taste. The property has a large air flow that passes from one side of the house to the other, providing a nice breeze and calmness when the windows are open on hot summer days, however, it has high-power hot/cold air conditioning splits in the living/dining room and the bedrooms.

The living room and kitchen share an open space of about 50m² and from there you can access the large interior terrace that has plenty of natural light despite being a ground floor.

Down the hallway we find a room...(Ask for More Details!)
