Discover this elegant penthouse located in the exclusive Residencial Las Jacarandas residential area, a modern fully gated complex built in 2007, known for its tranquility, privacy and excellent community facilities. The urbanization has a large community pool, perfectly maintained garden areas, changing rooms, bathrooms and lifeguard service during the summer season, creating an ideal environment both to live all year round and to enjoy a holiday on the Costa Blanca.

The house stands out for its luminosity and its pleasant distribution. The spacious living-dining room receives abundant natural light thanks to its large fixed panoramic window and offers direct access to a magnificent 17 m² terrace, perfect for relaxing or sharing...(Ask for More Details!)
